## SUMMARY DECISION SHEET

**Purpose:** Commissioner Decision – Ref. DLI204

**Timing:**

**Title: Funding towards the purchase of 2 RPU vehicles**

**Category of Decision / Business Area Impact: Finance**

### **Executive Summary:**

The Force submitted a project proposal form to the Change and Transformation board requesting a £62k funding contribution towards the purchase of 2 new RPU vehicles. It was proposed that extra vehicles within the fleet will allow DPP RPU to meet the needs of the communities we serve fully and more efficiently. The increase in fleet will give the Force more resilience when vehicles are damaged and taken off the road for servicing and maintenance. Increasing the fleet with these high performance vehicles will help to achieve the objectives set out in the PCC's Police and Crime Plan- specifically, by keeping our communities safe by intercepting dangerous offenders and those who contravene traffic regulations, thus posing significant risk to law abiding citizens.

The PCC has agreed to contribute towards the purchase of these vehicles to the sum of £62k from the Driver Retraining Reserves budget.

### **Recommendation:**

**To contribute £62k from the Driver Retraining reserves budget to purchase 2 new RPU vehicles.**
