## SUMMARY DECISION SHEET

**Purpose:** Commissioner Decision – Ref. DLI 209

**Timing:** Routine

**Title:** Funding of IOM Housing pilot project

**Category of Decision / Business Area Impact:** Finance

### **Executive Summary:**

The Integrated Offender Management team have identified a need to secure use of a suitable mid county, all year round self-contained property for use as a short term Temporary Emergency Accommodation unit for placement of clients whilst alternative more suitable and long term accommodation solutions are found. It is intended that placement will be on a licence basis for no more than a few weeks at a time, thereby being readily available for continued use as need arises.

IOM teams frequently review cases where all that is required to try and break the offending cycle is a location to move the offender from their negative environment. This pilot is innovative and holistic in its approach and is an existing project that could be showcased to other areas if deemed successful.

A pilot arrangement has been proposed with key commitment provided by the Police, Barcud and the Care Society. A contribution of £10,000 is requested from the PCC in order to establish the pilot programme.

A memorandum of understanding is in place setting out the agreed protocols and obligations, roles and responsibilities that all Parties will adhere to. The pilot project will last for a year with a fixed budget. The success of the project will be monitored in order to ascertain the success and to inform the future of the project.

The funding will be made available as a result of underspend in the PCC's Commissioning budget.
