SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. DLI214

Timing: Routine

Title: Victims' Voice in DPP Training – Video Production Company

Category of Decision / Business Area Impact: Engagement

Executive Summary:

In line with the work of the [Victim Engagement Forum](#) (VEF), Dyfed-Powys Police's Learning and Development Department approached the Office of the Police and Crime Commissioner (OPCC) to request that the VEF assist them in giving victims a voice in training police officers and staff.

It is the intention that victims' feedback on their experiences with Dyfed-Powys Police (DPP) will be incorporated in to a video production to be added to, and utilised alongside DPP's existing training packages; bringing a real-life perspective to training.

The OPCC does not have the expertise in-house to develop this video. Approval was therefore sought to bring in an external video production company to work with the OPCC, DPP and victims, to produce a professional and impactful video.

Prior to discussions around the Victims' Voice video, the OPCC contracted a local video production company, Optimwm, in line with the work of the Youth Engagement Forum. (See Decision Log DLI213.) A short video is to be produced to demonstrate how young people are made to feel by the Police.

As both videos involve OPCC Forums, consistency is required in the branding, approach and feel of the productions. Optimwm provided a quote of £1,290 and details as to how they would approach the Victims' Voice video. Having reviewed the information provided, approval is sought to offer the job of developing the video to Optimwm.

Recommendation:

That Optimwm be contracted to work with the OPCC, DPP and victims, to produce a professional and impactful video to be utilised by DPP alongside their existing training packages; giving victims a voice.
