SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. DLI255

Timing:

Title: Funding towards Physical Empowerment CIC

Category of Decision / Business Area Impact: Finance

Executive Summary:

Following a successful meeting with Physical Empowerment CIC, who provide self defence courses and awareness raising to victims and survivors of domestic abuse, the PCC was approached by the CIC with a funding request to develop a pilot project in Dyfed-Powys. The pilot would consist of a 10 week self defence course for survivors and courses would include topics such as owning your personal space, being aware, saying No, assertive behaviour and positive self-talk.

The PCC is keen to support such an innovative approach and support system to survivors of domestic abuse and is willing to fund the pilot project to the sum of £12k, from the Driver Retraining Budget.

Recommendation:

It is proposed that the PCC support the implementation of the pilot project run by Physical Empowerment CIC, to the sum of £12k, from the Driver Retraining budget.
