**Timing: Routine**

**Title: Financial Investigator contribution – OPCC Structure**

**Category of Decision / Business Area Impact:** e.g. Primary Legislation, Statutory Requirement, Finance, Performance, Complaints etc. (amend as appropriate)

**Organisational**

### **Executive Summary:**

This decision relates to the structure of the OPCC which since 1<sup>st</sup> April 2017 incorporates estates personnel who were previously under the employment of the Chief Constable (refer to decision log DLI 030).

Furthermore the structure has been amended to comply with the legislative requirements outlined in the Police Reform and Social Responsibility Act which refers to the duties of the Chief of Staff as head of the commissioner's staff. Cognisance has also been given to guidance issued in relation to the Chief Finance Officer role which suggests that the post holder should report directly to the Police and Crime Commissioner.

### **Recommendation:**

The OPCC structure is amended to reflect changes with the transfer of estates personnel to the employment of the PCC and legislative requirements.
