Title: Web support by Glass Mountains Digital Ltd

Category of Decision / Business Area Impact: Commissioning

Executive Summary:

Glass Mountains Digital Ltd has provided two websites for the OPCC since 1st November 2014 (OPCC and Dyfed-Powys Help Hub). Its initial aim was to develop the new websites, including design, building, testing, hosting and supporting. As the websites are now fully developed and running and an initial extension was agreed to 31st July 2016, it is proposed that the hosting and support service is extended for a further six months to 31st December 2016 at a cost of £250pm (+VAT). This will ensure professional and resilient websites for several months into the new Commissioner term. Website requirements will then be reviewed.

Recommendation:

That the Police and Crime Commissioner approve the proposal for a six month extension of the current Service Level Agreement with Glass Mountains Digital Ltd for provision of web hosting and support.

Police and Crime Commissioner for Dyfed-Powys

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the NOLAN Principles for Conduct in Public Life. The above has my approval.
