REPORT / SUMMARY DECISION SHEET / LOG
Office for the Police and Crime Commissioner for Dyfed-Powys

Purpose: Commissioner Decision

Timing: Pressing

Title: Business and Performance Management Solution

Category of Decision / Business Area Impact: Performance

Executive Summary:

The Commissioner has previously made a decision on the procurement route to be taken to procure a business and performance management solution that will provide a central repository for multiple sources of qualitative and quantitative data. (Decision dated 2nd March 2015).

In line with that decision, a procurement exercise was undertaken to appoint a supplier through an open tender procurement exercise.

In all, nine bids were received. One bid was non-compliant and therefore excluded from the evaluation process. Each bid was evaluated against pre-set technical and commercial data and three were invited to present their solution to the evaluation panel.

At the end of the evaluation process the highest scoring bidder was named as InPhase.

Recommendation: That the Commissioner appoints InPhase to deliver the Business and Performance Management Solution.
