COMMISSIONER

27 July 2015

Dear Home Secretary,

As required within Section 55(5) of the Police Act 1996, I write in response to the inspection undertaken by Her Majesty's Inspectorate of Constabulary, "*Building the Picture: An inspection of police information management*".

This report highlights a number of areas for improvement in Dyfed Powys Police's approach to information management. I have discussed the report with the Chief Constable and I am satisfied that progress is being made to address the recommendations contained within the report, which is based on an inspection that took place 12 months ago.

I will continue to monitor progress in this area through the Policing Accountability Board.

A copy of this response is published on my website.

Yours sincerely,

Christopher Salmon
Police and Crime Commissioner

Cc: Wendy Williams
HM Inspector of Constabulary, Wales and Western Region
