COMISIYNYDD  
HEDDLU A THROSEDDU  
DYFED-POWYS  
POLICE AND CRIME  
COMMISSIONER

**FOI Ref: OPCC 53-2017**

**Request**

In regard of your recently circulated pamphlet (titled "A message from your Police and Crime Commissioner"), outlining your priorities for the coming financial year, you state;

"Established new relationships with partners and maintained contact with existing partnering organisations; and"

Notwithstanding the fact that your statement is an incomplete sentence which makes no sense, please provide all recorded information which would identify and describe these partners and partnering organisations, together with a full description of the relationships and their implications.

**Clarification:**

The applicant was contacted and asked "...please would you clarify exactly what you mean by 'partner/partnering organisations?' There is some information on partners on the PCC website: <http://www.dyfedpowys-pcc.org.uk/en/work-with-me/partners/>. Links are provided to partners listed, where descriptions of the organisations can be found."

The applicant responded as follows: "...the word partner was used in the leaflet attempting to explain the Police Precept accompanying the Council Tac demand notice. Perhaps you should consult the PCC, as they are his quoted words and not mine. As this was not a genuine request for me to clarify, the clock is still ticking on your original 20 days."

**Response:**

I can confirm that there is information held by the Office of the Police and Crime Commissioner (OPCC) as identified below:

Information on the PCC's partners can be found on this website: <http://www.dyfedpowys-pcc.org.uk/en/work-with-me/partners/>
