PB 2051 – briefing on the police funding formula. The PCC confirmed he had received information from the DoF. This would be provided in advance of the forthcoming meeting with the Minister.

PB 2052 – letter to local MPs, AMs and Council Leaders highlighting funding formula concerns. CM stated the letter had been sent inviting them to the meeting on 14th October. Alternative arrangements would be made with those who could not attend. Police and Crime Commissioner's update

The PCC highlighted the confirmation hearing for the preferred candidate for Chief Constable would be held on Friday 30th September. The corporate communications team were preparing media announcements to be released after the hearing.

CM explained this had been delayed due to staffing issues, but assured that the PSB was now appropriately resourced and the backlog of cases was steadily being addressed. CM stated work was underway, and a report with a proposal for the future of the PSB would be presented mid-November, in order to make a decision prior to the PSB staff members' contracts ending on December 31st.

Appropriate Adults Scheme usage review

The PCC noted the report provided by the Director of Commissioning. It was identified that £44k had been spent in the first quarter out of allocation of £90k for the year, resulting in the projected spend rising to £177k. The PCC requested clarification on the matter. The CC stated the scheme had to be operationally led rather than financially. The CC proposed that he consider the data presented, look at the operational needs and how Appropriate Adults is currently being delivered.
