REPORT / SUMMARY DECISION SHEET

PURPOSE: COMMISSIONER DECISION – REF. DLI078

Timing: Routine

Title: Relocation of Haverfordwest VMU to neighbouring MAWWFS site

**Category of Decision / Business Area Impact:
Estates/Fleet Services**

Executive Summary:

At the March meeting of the Estates Project Board, a proposal was put forward which had been issued to us by MAWW Fire Service. The proposal was for a collaboration project in which our VMU service in Haverfordwest would be co-located within the MAWWFS facility next door. Board members issued an agreement in principle on the condition that the local Superintendent, the Fleet Services Manager and the Director of Finance were also in agreement. All these members of staff have been consulted, issued with plans and costs, and are in agreement. This proposal is at minimal cost to us versus a large investment needed at the current site, increases operational efficiency, reduces lone worker risk, and increases resilience by sharing work with MAWWF technicians when necessary.

It is proposed that the vacated space on our site will be utilised for the Pembrokeshire Consolidated Property Store.

Recommendation:

The Commissioner is asked to review the above information and approve a decision to proceed as summarised.
