Summary report

Introduction

- 1 The Auditor General is responsible for providing an opinion on whether the financial statements of the Police and Crime Commissioner for Dyfed Powys (the Commissioner) and of the Chief Constable for Dyfed Powys (the Chief Constable) give a true and fair view of their financial position at 31 March 2017 and of their income and expenditure for the year then ended.
- 2 We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
- 3 The quantitative levels at which we judge such misstatements to be material are:

	Police and Crime Commissioner	Chief Constable	Police Pension Fund
Income and Expenditure items and other balances	£1.532 million	£1.532 million	£0.613 million

Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and reader sensitivity.

- 4 International Standard on Auditing (ISA) 260 requires us to report certain matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. For Police bodies, those charged with governance are the Police and Crime Commissioner and Chief Constable.
- 5 This report sets out for consideration the matters arising from the audit of the financial statements of the Commissioner and the Chief Constable, for 2016-17, that require reporting under ISA 260. We have not included any specific recommendations in this report and we will issue a separate report to summarise the less significant issues identified during the audit along with any relevant recommendations

Status of the audit

- 6 In 2016-17 we agreed with both the Commissioner and Chief Constable to pilot earlier deadlines for both the accounts preparation and audit delivery. The statutory deadlines remain as 30 June for accounts preparation and 30 September for audit certification, however for 2018/19 onwards these dates will be brought forward to 31 May and 31 July respectively.
- 7 As agreed, we received the draft financial statements for both the Commissioner and the Chief Constable for the year ended 31 March 2017 on 16 June 2017. We have now substantially completed the audit work and are planning on signing off

the 2016-17 financial statements for both the Commissioner and Chief Constable by end of July 2017, two months ahead of the statutory deadline.

- 8 This is a significant achievement by the finance team and we would like to thank them for helping us achieve these tight deadlines. Undertaking the production and audit of the accounts to these earlier deadlines has identified a number of learning points for both the finance team and ourselves. We will consider these in more detail at a future post project learning session to ensure they are captured and built into processes for future years.
- 9 We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements. The audit team has already discussed these issues with the Chief Finance Officer of the Police and Crime Commissioner's office and the Director of Finance for the Chief Constable.

Proposed audit report

- 10 It is the Auditor General's intention to issue an unqualified audit report on the financial statements of both the Commissioner and Police Constable once you have provided us with a Letter of Representations based on those set out in [Appendix 1 and 2](#).
- 11 The proposed audit reports are set out in [Appendix 3 and 4](#).

Significant issues arising from the audit

Uncorrected misstatements

- 12 Where we identify misstatements that are not trivial but have no impact on our opinion, we raise them with management who have the option to amend for them. Where they decide not to amend, their decision needs to be ratified by those charged with governance to ensure they agree. We set out below the misstatement we identified in the financial statements, which has been discussed with management who have decided not to amend it due to it not being material and therefore not having a significant impact on the accounts or our opinion.

[£114k of receipts relating to the disposal of the Police Helicopter was incorrectly included in the 2016-17 financial statements](#)

- During 2015-16 the Force disposed of the Police helicopter. The Force received £233k receipts from the sale of the helicopter and this was agreed to be paid over a 4 year period in different instalments. These receipts were included in the calculation for the loss on disposal included in the 2015-16 financial statements.

However in 2016-17, the second year's payment of £114k was received but this has been recognised once again in the Comprehensive Income and Expenditure account as income, rather than reversing out the debtor balance that had been set up in 2015-16.

Corrected misstatements

- 13 There are misstatements that have been corrected by management, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process. They are set out with explanations in [Appendix 5](#).

Other significant issues arising from the audit

- 14 In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year:

- **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.**

We found the information provided to be relevant, reliable, comparable, material and easy to understand. We concluded that accounting policies and estimates are appropriate and financial statement disclosures unbiased, fair and clear.

- **We did not encounter any significant difficulties during the audit.**

We received information in a timely and helpful manner and were not restricted in our work.

- **There were no significant matters discussed and corresponded upon with management, which we need to report to you.**

We have addressed the risks identified in the audit plan and there are no issues that need to be brought to your attention.

- **There are no other matters significant to the oversight of the financial reporting process that we need to report to you.**

- **We did not identify any material weaknesses in your internal controls**

- **There are not any other matters specifically required by auditing standards to be communicated to those charged with governance.**

Independence and objectivity

- 15 As part of the finalisation process, we are required to provide you with representations concerning our independence.
- 16 We have complied with ethical standards and in our professional judgment, we are independent and our objectivity is not compromised. There are no relationships between the Wales Audit Office and either the Police and Crime Commissioner for Dyfed Powys or the Chief Constable for Dyfed Powys that we consider to bear on our objectivity and independence.
