# Summary report

## Introduction

- 1 The Auditor General is responsible for providing an opinion on whether the financial statements of the Police and Crime Commissioner for Dyfed Powys (the Commissioner) and of the Chief Constable of Dyfed Powys Police (the Chief Constable) give a true and fair view of their financial position at 31 March 2018 and of their income and expenditure for the year then ended.
- 2 We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
- 3 The quantitative levels at which we judge such misstatements to be material are:

### Exhibit 1: quantitative levels for material misstatements

	<b>Police and Crime Commissioner</b>	<b>Chief Constable</b>	<b>Police Pension Fund</b>
Income and Expenditure items and other balances	£1.656 million	£1.656 million	£0.697 million

Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and reader sensitivity.

- 4 International Standard on Auditing (ISA) 260 requires us to report certain matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. For Police bodies, those charged with governance are the Police and Crime Commissioner and Chief Constable.
- 5 This report sets out for consideration the matters arising from the audit of the financial statements of the Commissioner and the Chief Constable, for 2017-18, that require reporting under ISA 260. We have not included any specific recommendations in this report and we will issue a separate report to summarise the less significant issues identified during the audit along with any relevant recommendations

## Status of the audit

- 6 In 2016-17 we agreed with both the Commissioner and Chief Constable to pilot earlier deadlines for both the accounts preparation and audit delivery in 2016-17 and 2017-18 followed on from this by being the formal pilot year for early closure. The statutory deadlines remain as 30 June for accounts preparation and 30 September for audit certification, however for 2018/19 onwards these dates will be brought forward to 31 May and 31 July respectively.
- 7 As agreed, we received the draft financial statements for both the Commissioner and the Chief Constable for the year ended 31 March 2018 on 31 May 2018. We have now substantially completed the audit work and are planning on signing off the 2017-18 financial statements for both the Commissioner and Chief Constable by end of July 2018, two months ahead of the statutory deadline.
- 8 This is a significant achievement by the finance team and we would like to thank them for helping us achieve these tight deadlines. Undertaking the production and audit of the accounts to these earlier deadlines has identified a number of learning points for both the finance team and ourselves; in particular, the quality assurance of the accounts and working papers prior to audit and the availability of finance staff during the audit window. We will consider these in more detail at a future post project learning session to ensure they are captured and built into processes for future years.
- 9 We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements. The audit team has already discussed these issues with the Chief Finance Officer of the Police and Crime Commissioner's office and the Director of Finance for the Chief Constable.

## Proposed audit report

- 10 It is the Auditor General's intention to issue an unqualified audit report on the financial statements of both the Commissioner and Police Constable once you have provided us with a Letter of Representations based on those set out in [Appendix 1 and 2](#).
- 11 The proposed audit reports are set out in [Appendix 3 and 4](#).

## Significant issues arising from the audit

### Uncorrected misstatements

- 12 Where we identify misstatements that are not trivial but have no impact on our opinion, we raise them with management who have the option to amend for them. Where they decide not to amend, their decision needs to be ratified by those charged with governance to ensure they agree. We set out below the

misstatements we identified in the financial statements, which have been discussed with management who have decided not to amend due to them not being material and therefore not having a significant impact on the accounts or our opinion. It should be noted that with the impending move to early closure next year, there will be greater time pressures on both the force staff and auditors and there will be a greater need to concentrate on adjusting the more significant issues.

#### The Revaluation Reserve is misstated by £287k

- The Revaluation Reserve should equal the Net Current Value of Property Plant and Equipment (PPE) less the Net Historical Cost of PPE. There is a difference of £287,000 that officers cannot explain and, as such, the Revaluation Reserve is understated by £287,000, although we are satisfied that this does not have a material impact on the accounts for 2017-18. Officers have agreed to review this in 2018-19.

#### Corrected misstatements

- 13 There are misstatements that have been corrected by management, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process. They are set out with explanations in [Appendix 5](#).

#### Other significant issues arising from the audit

- 14 In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year:
- **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.**  
We found the information provided to be relevant, reliable, comparable, material and easy to understand. We concluded that accounting policies and estimates are appropriate and financial statement disclosures unbiased, fair and clear.
  - **We did not encounter any significant difficulties during the audit.**  
We received information in a timely and helpful manner and were not restricted in our work. However, there were a large number of errors identified which could have been avoided with a more robust quality assurance of the accounts and working papers. In addition, we also experienced an issue with the availability of finance staff during the final audit, given many had leave in the period. We understand that additional capacity is currently being added to the finance department which should hopefully help address these issues in future years.

- **There were no significant matters discussed and corresponded upon with management, which we need to report to you.**

We have addressed the risks identified in the audit plan and there are no issues that need to be brought to your attention.

- **There are no other matters significant to the oversight of the financial reporting process that we need to report to you.**
- **We did not identify any material weaknesses in your internal controls**
- **There are not any other matters specifically required by auditing standards to be communicated to those charged with governance.**

## Independence and objectivity

- 15 As part of the finalisation process, we are required to provide you with representations concerning our independence.
- 16 We have complied with ethical standards and in our professional judgment, we are independent and our objectivity is not compromised. There are no relationships between the Wales Audit Office and either the Police and Crime Commissioner for Dyfed Powys or the Chief Constable of Dyfed Powys Police that we consider to bear on our objectivity and independence.

## Audit report of the Auditor General to the Chief Constable of Dyfed Powys Police

### The independent auditor's report of the Auditor General for Wales to the Chief Constable of Dyfed Powys Police

#### Report on the audit of the financial statements

#### **Opinion**

I have audited the financial statements of:

- Chief Constable of Dyfed Powys Police; and
- Dyfed Powys Police Pension Fund;

for the year ended 31 March 2018 under the Public Audit (Wales) Act 2004.

The Chief Constable of Dyfed Powys Police financial statements comprise the Comprehensive Income and Expenditure Statement, the Balance Sheet, and the related notes, including a summary of significant accounting policies.

Dyfed Powys Police Pension Fund's financial statements comprise the Fund Account and the Net Assets Statement and related notes.

The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2017-18 based on International Financial Reporting Standards (IFRSs).

In my opinion the financial statements:

- give a true and fair view of the financial position of the Chief Constable of Dyfed Powys Police and the Dyfed Powys Police Pension Fund as at 31 March 2018 and of their income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2017-18.

#### **Basis for opinion**

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Chief Constable for Dyfed Powys and the Dyfed Powys Police Pension Fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## **Conclusions relating to going concern**

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the responsible financial officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Chief Constable of Dyfed Powys Police's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## **Other information**

The responsible financial officer is responsible for the other information in the Narrative Report and accounts. The other information comprises the information included in the Narrative Report other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated later in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

## **Report on other requirements**

## **Opinion on other matters**

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the Narrative Report has been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2017/18; and
- the information given in the Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and the Governance Statement has been prepared in accordance with guidance.

### **Matters on which I report by exception**

In the light of the knowledge and understanding of the Chief Constable of Dyfed Powys Police and Dyfed Powys Police Pension Fund and their environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

### **Certificate of completion of audit**

I certify that I have completed the audit of the accounts of the Chief Constable of Dyfed Powys Police in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

### **Responsibilities**

#### **Responsibilities of the responsible financial officer for the financial statements**

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on page 18, the responsible financial officer is responsible for the preparation of the statement of accounts, including the Dyfed Powys Police Pension Fund's financial statements, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing the Chief Constable of Dyfed Powys Police's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of my auditor's report.

Dyfed Powys Police Pension Fund's financial statements comprise the Fund Account and the Net Assets Statement and related notes.

The Police and Crime Commissioner for Dyfed Powys Police Group's financial statements comprise the Group Movement in Reserves Statement, the Group Comprehensive Income and Expenditure Statement, the Group Balance Sheet and the Group Cash Flow Statement and the related notes, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2017-18 based on International Financial Reporting Standards (IFRSs).

In my opinion the financial statements:

- give a true and fair view of the financial position of the Police and Crime Commissioner for Dyfed Powys; the Dyfed Powys Police Pension Fund; and the Police and Crime Commissioner for Dyfed Powys Police Group as at 31 March 2018 and of their income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2017-18.

## **Basis for opinion**

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Police and Crime Commissioner, the Pension Fund and the Group in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## **Conclusions relating to going concern**

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the responsible financial officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Police and Crime Commissioner for Dyfed Powys or the Police and Crime Commissioner for Dyfed Powys Police Group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## **Other information**

The responsible financial officer is responsible for the other information in the Narrative Report and accounts. The other information comprises the information included in the Narrative Report other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated later in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

## Report on other requirements

### Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the Narrative Report has been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2017/18; and
- the information given in the Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and the Governance Statement has been prepared in accordance with guidance.

### Matters on which I report by exception

In the light of the knowledge and understanding of the Police and Crime Commissioner for Dyfed Powys, the Dyfed Powys Police Pension Fund and the Police and Crime Commissioner for Dyfed Powys Police Group and their environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

## Certificate of completion of audit

I certify that I have completed the audit of the accounts of the Police and Crime Commissioner for Dyfed Powys and the Police and Crime Commissioner for Dyfed Powys Police Group in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

## Responsibilities

### Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts as set out on page 21, the responsible financial officer is responsible for the preparation of the statement of accounts, including the Police and Crime Commissioner for Dyfed Powys Police Group financial statements and Dyfed Powys Police Pension Fund's financial statements, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing the Police and Crime Commissioner for Dyfed Powys and the Police and Crime Commissioner for Dyfed Powys Police Group's ability to continue as a going

concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
