SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. DLI109

Timing:

Title: Contribution to DCCU

Category of Decision / Business Area Impact: Finance

Executive Summary:

The Commissioner has made the decision to contribute £5000 towards the DCC unit, from the Forfeiture budget, to assist in the speed tracking of mobile phone units to an external agency to analyse and investigate. Due to a back log of mobile investigations via the DCCU, some key drugs investigations are being delayed. Therefore the PCC has made the decision to contribute £5000 from the Forfeiture budget, which is specific to be spent on drugs related activity within force. This contribution will allow CID to outsource the analysis of the mobile phone specifically related to key drugs operations, leading to a speedier verdict on charging.

Recommendation:

To approve the contribution of £5000 towards the DCCU and CID to support the investigation of drugs operations, via the Forfeiture budget.
