Dear Karen

Thank you for the opportunity to review and comment on the draft National Fraud Policing Strategy.

It is encouraging to see that the national strategy contains a section on reducing victimisation through nationally coordinated campaigns and targeted crime prevention advice that effectively influences behavioural change. I believe that as important as tackling and investigating the cases which affect our local community is communication, education and sending out the Prevent message. To this end, our force Connecting with Communities Group will be ensuring local delivery of this.

I am confident that Dyfed-Powys as a Force recognises the major challenges that fraud presents, proven by the introduction of a dedicated Cyber-Crime Unit. I am assured that the Dyfed-Powys Force strategy is being progressed and in line with the HMICFRS recommendation of producing a local strategy by September.

I am confident that Dyfed-Powys Police's continued focus on this area will drive the required improvements. My office will continue to work with the Force to ensure that we are protecting our communities from serious threats and safeguarding the vulnerable, a key priority within my police and crime plan.

Yours sincerely

**Dafydd Llywelyn**  
**Police & Crime Commissioner**
