SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. DLI139

Timing:

Title: Funding contribution to set up Divisional DCCU hubs

Category of Decision / Business Area Impact: Finance

Executive Summary:

It is clear that current service delivery timescales (SDT) at DCCU for the examination of electronic devices are having an impact on the length of investigations, achieving prompt investigative outcomes and bringing prosecutions before the courts. The Force put together an options paper to look how they can increase the effectiveness and efficiency of service delivery which was then presented to the PCC. After consideration, the PCC decided to make a funding contribution to the Force to upskill 7 CSI's, providing an additional phone examination resource. The PCC has allocated the funding contribution of £48,282 from the Driver Retraining reserves budget.

Recommendation:

To confirm a funding contribution of £ 48,282 from the Driver Retraining reserves budget.

Police and Crime Commissioner for Dyfed-Powys

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Nolan Principles for Conduct in Public Life.
