SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. DLI141

Timing:

Title: Approval to purchase additional 4x4 vehicle

Category of Decision / Business Area Impact: Finance

Executive Summary:

Following a submitted business case by Supt Ifan Charles in relation to the need to upgrade the current vehicle based in North Powys to a 4x4, the PCC has confirmed his support to implement this. The Llanfyllin section covers about 450 sq.m comprising hundreds of miles of undulating rural C roads, hills, farm tracks, and high ground. The current vehicle provision for this section is covered by a standard Peugeot 308. After extensive research, it was discovered that there were several calls for service where the vehicle was unsuitable, leading to either a delay in response or officers were unable to attend (detail within Supt Ifan Charles submitted business case). The PCC agreed to assist in purchasing a more suitable vehicle to assist the team in North Powys, whilst decommissioning the current Peugeot 308. This has been agreed to be funded from the Driver Retraining reserves budget.

Recommendation:

To confirm an allocation of £18,941.32 towards the purchase of a fit for purpose 4x4 vehicle for the North Powys section.

Police and Crime Commissioner for Dyfed-Powys
