## SUMMARY DECISION SHEET

**Purpose:** Commissioner Decision – Ref. DLI142

**Timing:**

**Title: Approval to fund the development of Bwlch Youth Club**

**Category of Decision / Business Area Impact: Finance**

**Executive Summary:**

Following a meeting with CCC Youth Services and Cllr Roberts from Llanelli, to discuss the development of a youth club in the Bwlch Youth Centre, the PCC made the decision to contribute £10k from the driver retraining reserves to assist in the implementation of this. Over previous years, youth provision within Llanelli has slowly decreased, with no current evening youth club available for young people in the Glanymor & Tyisha wards, and surrounding area. CCC currently run their youth services from the Bwlch Youth Centre and there is possibility for an evening club to be set up using these premises and for it to be run by trained CCC Youth workers. The plan is to complete some outreach work initially to determine what the young people within the community want and then provide an evening youth club with support from local NPT, allowing them to engage positively with the young people of Llanelli.

**Recommendation:**

To approve the contribution of £10k from the driver retraining reserves towards the implementation of a youth club from the Bwlch Youth centre.
