SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. 170

Timing: urgent

Title: Grant funding extensions

Category of Decision / Business Area Impact: Finance

Executive Summary:

Given the current unprecedented circumstances around the coronavirus a review of grant funding timelines has been undertaken. A number of projects were due to finalise their activity by the end of the financial year. It is recommended that where possible projects can place their activities on hold, with grant money retained by the recipient. Activities should commence again in the new financial year when the situation allows.

Recommendation:

Timescales for grant activities to be extended if required into the new financial year. Grant recipient to communicate if activities are to be halted and provide plan regarding proposed future delivery.
